

Dear Customer,

We have a wide range of mincer parts which are used in the food industry. In order to facilitate the identification of appropriate items you require, we would like to ask you to specify the following characteristics.

If your item is not listed, please send us a drawing/dimensioned sketch or a photo of front and rear side of the part. In case of doubts, please send us a sample.

Please specify:

Pre-cutter	the manufacturer and the type of machine:		
	the system (e.g. Unger, Enterprise, ...):		
	the item number of the manufacturer:		
	the reference size of the plate (∅):		mm
	the number of spokes (Pictures 1 - 3):		
	the material:		
Knife	the manufacturer and the type of machine:		
	the system (e.g. Unger, Enterprise, ...):		
	the item number of the manufacturer:		
	the reference size of the plate (∅):		mm
	the number of the blades (Picture 4 - 7):		
	the size of the fixing hole:		
	the material:		
Plate	the manufacturer and the type of machine:		
	the system (e.g. Unger, Enterprise, ...):		
	the item number of the manufacturer:		
	the plate diameter:		mm
	the diameter of the through-holes:		mm
	the material:		
Distance rings	the manufacturer and the type of machine:		
	the item number of the manufacturer:		
	the diameter:		mm
	the width:		mm
	the material:
